

Datasheet

Product name: Cyclic citrullinated peptide (CCP) antigen

Catalog number: GBNCCPN102

Expression system: /

Appearance: Liquid

Purity: /

Molecular weight: 4 kDa

Storage buffer: 0.05% NaN₃

Tag: /

Storage condition: -20±5°C

Shelf life: 3 years

Intended use: /

Application: LETIA

Notes:

1. This product is a biologically active protein intended for use in research and production, not for use in diagnostic procedures.
2. Store this product under the specified conditions.
